EXAMPLES OF BRICK LETTERING AS OF JUNE 1, 2011

Some print sizes have been reduced to fit space on this page.
All letters on bricks will be same size

General Brick Engraving Information:

Each brick has 3 lines

No more than 20 characters and/or spaces per line

All lines will be centered on bricks

If copy on only one line, it will be the middle of three lines

If copy on only on two lines, it will be the top two lines

All letters will be capitalized

No logos or emblems are possible

Suggestions to assist with consistency:

Class year, on full line use all four digits; John Smith, Class of 1960

Class year after name or series, use 'XX. No (XX).

Mark '93 & Jane '91 Smith

Family: **The Smiths** use no punctuation at the end; no apostrophe
